

Digital Citizenships Jeopardy

Question & Answer Key — Page #1

Separate your classroom in teams. Pick one team to begin the game by choosing a topic and dollar amount, then ask the corresponding question. The first team to raise their hand is allowed to respond first and, if they answer correctly, they can choose the next question. The team with the most money at the end wins!

Fake News & Clickbait

- \$100:** How many other sources should you check to verify if a piece of news is real (answer: at least two)
- \$200:** Unsure if something is real or fake online? Don't do this. (answer: share it)
- \$300:** If a headline includes this excessively, it might be fake news (answer: capital letters/exclamation marks)
- \$400:** A tool you can use to cross-check if an image is real (answer: Google reverse image search)
- \$500:** A reputable website usually has this (answer: about us page/author bios)

Privacy

- \$100:** You should make them complex and never the same across logins (answer: password)
- \$200:** What to do when you receive an offer in your inbox that seems too good to be true (answer: don't open, mark as spam, and report it)
- \$300:** If a headline includes this excessively, it might be fake news (answer: capital letters/exclamation marks)
- \$400:** A tool you can use to cross-check if an image is real (answer: Google reverse image search)
- \$500:** A reputable website usually has this (answer: about us page/author bios)
